MEMBER COMMUNICATION

Many communications are being sent to members by sms and email. Members are requested to ensure that their email id's and cell numbers are available with the Club and are updated.

MEMBER PARKING

The Club has limited parking area and most of the time in the evenings there is a challenge to find a parking spot. Members are requested to have their driver driven cars parked outside the Club premises during event days, weekends and movie nights so that member driven cars may get preference. Your cooperation in this matter is solicited.

SUNDAY BUFFET

The Club has a daily buffet breakfast that has good patronage. Based on feedback from members we have decided to extend the timings of the breakfast and to waive guest charges for breakfast. The timings of the buffet breakfast on Sunday would be from 7.00 am to 11.30 am in the pavilion. This will be on a trial basis for the month of February 2015.

Secretary's Note

Greetings!

The first month in this year has had a lot of activities from a variety of events. A display of vintage and classic cars in the Club brought back fond and nostalgic memories. Vehicles of a bygone era were displayed in mint condition to the delight and appreciation of the crowd.

Super hit movie 'PK' was screened drawing a very enthusiastic crowd. Tambola is a member favourite and the bumper tambola held during the last week of the month continues to bring in a larger audience each time.

Crazy Mohan and his troop gave a classy and livewire performance of his popular play - 'Chocolate Krishna'. Keeping the audience in splits for the most part, the members were treated to a whole new experience.

The PC Tennis Open that was being conducted over the last several weeks with the active participation of the members in several categories concluded this month. Favorites were pushed to the wall and their talent stretched by young turks and dark horses who ensured that every victory was hard fought.

During the month the 'Anyone can Win' version 7 badminton tournament was organized in a professional manner. With enhanced participation from members and family between the age of eight to seventy eight, the tournament

was keenly contested with neither the children nor the senior citizens giving any quarter.

The sixth edition of the Members Directory was released on Republic Day. Much effort has gone to ensure that it is classy and carries updated information.

The month closed with a music night. Second Coming rocked the Club and the members were treated to a night of wonderful and lively music. For the first time, we have had Vivanta by Taj Connemara associated with us to cater delicious snacks and dinner to our members. Our Club kitchen also held its own by serving up some scintillating food and ensuring that arrangements and service were top notch. Good food, wonderful music, brilliant ambience and delightful company of friends ensured that the members had a great time and the Club rocked till the wee hours of the night.

The Members Night is slated for March 15th and plans are afoot to ensure that we have a grand evening of fun, enjoyment and camaraderie.
