Secretary's Note

GREETINGS !

The elections were conducted on November 1, 2014 and we have a democratically elected set of wonderful committee members in charge of the Club. Thank you for your patience shown during this process.

There is a lot of work and plans that we have in mind and the way forward is challenging. Your new Committee consists of a good mix of Committee members that has talent and will bring balance while adding value. I am confident that this new Committee will deliver what it has set out to do. And I assure you that the confidence you have placed in us will not be misplaced.

The annual Ahmed Hussain Memorial Trophy and J Sampathkumar Friendship Cup was conducted and witnessed some hectic action. Keenly fought and with favourites facing the heat, rookies fighting for their lives to stay in the tournament and dark horses making life difficult, the tournament threw

up some interesting and keenly fought games that were thoroughly appreciated and enjoyed by the audience.

Our focus will be on ensuring that the basic and critical facilities are kept to your satisfaction. Issues such as parking, covering the courtyard, stage in the lawn and quality of food and service is at the top of our list of issues to be addressed and resolved. A host of entertainment, bar activities and sports events are being planned and we look forward to your active participation.

It is my sincere request to members to revert to me with their feedback or suggestions so that together we can make improvements to our beloved Club. Your proactive participation is required to assist us on the journey that we have planned. "Together We Can" should be our motto.

Regards
Viji Joseph
