Performance Review

We are pleased to present a review of the Club's performance for the year ended 31st March 2025 to our esteemed members. The financial year 2024–25 has been both eventful and progressive for the Club. Up to 31st July 2025, we have witnessed a strong upward trend across improvements, developmental initiatives, and financial performance. Despite challenges, the Club has continued to grow, with significant achievements in facility expansion, a wider range of events, and enhanced member participation and engagement.

The Club's performance has been commendable, delivering robust financial growth during the current year. The bank balance increased from ₹12.76 crores in September 2024 to ₹18.38 crores in July 2025 - an impressive growth of 44%.

During the current financial year 1st April 2025 to 31st July 2025, 4 months, the operational profit was ₹2,97,882/-

Cash and Bank Balances as on 31.07.2025	
Fixed Deposits	₹ 15,89,60,413
Bank Balances	₹ 2,47,60,184
Cash Balances	₹ 1,54,607
Total	₹18,38,75,204

The Club's revenue increased from ₹1,685.76 lakhs in 2023-24 to ₹1,819.85 lakhs in 2024-25. During the same period, expenses gone up from ₹1,862.75 lakhs to ₹2,195.08 lakhs. Consequently, the excess of expenditure over income widened from ₹181.36 lakhs to ₹400.41 lakhs.

Growing deficit and the silver lining

The excess of expenditure over income has increased by nearly ₹219 lakhs compared to the year ended 31st March 2024. While this is a matter of concern, it is important to note the positive trends

that indicate the direction the Club should pursue in the coming years.

The primary driver of the increase in expenditure was Repairs and Maintenance of buildings and facilities, which rose by ₹166.43 lakhs over the previous year. This was largely due to the complete renovation of the Health Club, Bar, Guest House, and Gym.

It is also worth noting that there has been no increase in property and water taxes since the steep revision in 2024.

Overall outlook

The positive economic outlook has had an impact with increased walk-ins for the restaurants and the banquets.

The key challenge remains to expand footfalls beyond our regular users and to attract younger members who can make full use of the Club's facilities. To sustain our reputation as one of Chennai's premier clubs, it is essential to promptly redesign, refurbish, and renovate vital areas.

The decline in total membership - from a peak of 2,325 as on 31.03.2018 to 2,074 as on 31.03.2022 has been reversed, with a steady recovery to 2,080 as on 31.03.2023, 2,114 as on 31.03.2024, and 2,150 as on 31.03.2025. With the anticipated boom in economic growth, the rising purchasing power of the younger generation, and the planned enhancement of Club facilities, we are confident of reaching a new record high in membership in the years ahead.

Updates

The managing committee has been circulating quarterly snapshot of the club activities to update the members on the happenings and developments in the club.

Additionally, a wellness camp was organized to support preventive healthcare through check-ups and consultations for members.

Catering

The Catering Department continued to earn positive feedback for its quality, variety, and timely service

across all club outlets and events. Special festive and themed menus were introduced throughout the year, greatly enhancing the overall dining experience for members. Food is a necessity and an experience; we at PC have made that happen by keeping the taste and quality intact.

We are the only Club to have FIVE different kitchens—Chinese, Tandoori, Continental, Vegetarian, and Non-Vegetarian. We successfully managed large-scale events such as the New Year's Eve celebrations, Elai Sappadu, Members Nite and Independence Day. Because of our in-house kitchens, we could make all our events memorable.

The above improvements resulted in a major surge in catering sales by 12% in comparison to the previous year. (Turnover for Financial Year was Rs. 456.28 lakhs and for Financial Year 2024-25 it was Rs.508.90 lakhs)

Party Halls

The Party Halls witnessed consistent bookings throughout the year, and we had special menus curated for our parties. All our party halls got a facelift. Sapphire Hall had fresh painting and upgraded lighting, creating a refined and welcoming ambience. Ruby Hall underwent renovation with functional and aesthetic upgrades, while the Splash Sports Lounge was completely transformed and now operates as a restaurant in the evenings, offering members a relaxed yet vibrant dining experience. The Pearl Room was also renovated with an aesthetic touch. The old heritage of the club was restored by polishing all the teak furniture and windows.

Veranda tiles were replaced for better aesthetics and safety, while new cupboards were installed in the party halls to facilitate organised storage (Food station) and improve functionality during events.

Maintenance and House keeping

There has been a marked improvement in the overall maintenance and housekeeping of the club. On the

Over the past year, The Presidency Club has curated and executed a dynamic range of events that significantly enhanced member engagement and elevated the club experience for all age groups. A standout among these was the Children’s Day celebration, dedicated exclusively to young members and packed with interactive activities, making it a joyful and memorable occasion for families.

The New Year’s Eve celebration was another major highlight, drawing 579 registrations despite inclement weather. With return gifts valued at ₹1,475

per registration and a strong support from sponsors, the event generated a combined contribution of ₹22.54 lakh (₹12.95 lakh in sponsorships and ₹9.58 lakh in gifts), along with a raffle surplus of ₹2.21 lakh, making it not only successful in turnout but also financially prudent.

Our festive calendar included a vibrant Pongal celebration, featuring a Tamil live band and a traditional Elai Sappadu, which was warmly received by members. In line with this success, specially curated festive menus have now become a recurring feature for all major celebrations, adding culinary value to cultural occasions.

On the musical and performing arts front, the club hosted a variety of curated experiences. A live concert by Susmit Sen, India’s pioneer in folk-rock fusion, was the centrepiece of a popular Bar Nite. Additionally, a theme Music Nite celebrating timeless Hindi classics drew a crowd of over 300 members and recorded impressive food and beverage sales. To mark Tamil New Year, a grand concert featuring Satyan Live with a five-piece orchestra was held, complemented by an authentic Elai Sappadu lunch—another example of blending tradition with entertainment.

The Member’s Nite was a grand, members-only event curated exclusively for members and their spouses, offering an elegant evening of entertainment, community spirit, and thoughtful engagement.

The club also saw an expansion in its cultural and entertainment offerings, including a theatrical performance by The Madras Players, a soulful Sufi Night (Sham-e-Mehfil), and thematic film screenings such as Singham, Vidamuyarchi, and a special Valentine’s Day screening with Ashok Bajaj.

Social evenings continued to be a major attraction, with Bar Nights and other events showcasing lively performances by Mark and Marcia, DJ Aaro, and the Bluebirds Band, all of which added to a vibrant and inclusive social atmosphere.

In the sports and recreation arena, the club hosted a Pickle ball Clinic for Beginners, with an Interacting Pickle ball Tournament scheduled for 30th August 2025, reflecting growing member interest in emerging sports. We were also proud to have our squash team represent The Presidency Club in the MCC Inter-Club Squash Tournament, while live IPL screenings continued to be a crowd-puller, creating a spirited and communal viewing experience

Additional highlights include a captivating performance by Pramod Nair, which added to the club's cultural portfolio and received high appreciation from attendees.

These wide-ranging activities reflect The Presidency Club's commitment to providing a vibrant, inclusive, and enriching environment for all members. Each event has contributed meaningfully to building a strong community spirit and reaffirming the club as a premier destination for recreation, culture, and social engagement.

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of The Presidency Club ("the Club"), which comprise the Balance Sheet as at March 31, 2025, the Statement of Income and Expenditure and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information for the year ended on that date.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Club as at March 31, 2025, its financial performance, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Club in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Club's Managing Committee is responsible for the preparation of the other information. The other information comprises the information included in the Report of the Managing Committee and Notes to the Members but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. .

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Club's Managing Committee is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Club in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Club and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and

maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is responsible for assessing the Club's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Club or to cease operations, or has no realistic alternative but to do so. The Managing Committee is also responsible for overseeing the Club's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit

procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control

- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Club has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Club to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT (REFERRED TO IN OUR REPORT OF EVEN DATE)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of The Presidency Club as of March 31, 2025 in conjunction with our audit of the financial statements of the Club for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Club's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to club's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Club's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to

an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Club's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Club's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A club's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and

dispositions of the assets of the Club; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management of the Club; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the club's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Club has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2025, based on the internal control over financial reporting criteria established by the Club considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

RUBY HALL

A HIDDEN GEM READY TO SHINE

A STUNNING MAKEOVER

Dear All,

We are delighted to share that the renovation of Ruby Hall has been completed, transforming the space into a brighter, more elegant, and meeting environment all without altering its structure and vibrancy, at a fraction of the expected cost.

What are the makeover apart is not just the outcome, but the efficiency and responsiveness about it. While the renovation and new artwork and furniture came at half price, we managed to complete the entire transformation within a limited budget and to just one week days a true testament to smart planning and cost-effective execution.

The makeover proves that impactful transformation doesn't have to come with a hefty price tag. Ruby Hall now radiates a renewed charm, perfectly balancing aesthetics with budget-conscious decisions.
